Dedicated workshops for promotion of activities of Knowledge and Skills Management Centre

1st Workshop for promotion of activities of Knowledge and skills management Centre-for training providers-

Subject:

- Invitation for 1st Workshop for promoting of Knowledge and skills Management Centre, established in the frame of the Project “TowaRd market-based skills for sustAINable Energy Efficient construction“ (TRAINEE)

Dear Sir/Madam,

As part of the program for Energy efficiency, within the European program “Horizon 2020” runs the implementation of an initiative for capacity building and improving the skills of building professionals - architects, engineers and workers in the construction sector with the objective to prepare our country in the field of qualification and further qualification of the construction workers and construction professionals.

Based on the obligations that project partners of the project “Toward market-based skills for sustainable energy efficient construction - TRAINEE” Grant Agreement No. 785005, Knowledge and skills management Centre was established on 4. 02. 2019.

The Knowledge and skills management Centre is established in order to give support in development of sustainable EE market-based construction skills that will tackle one of the main expected impacts of the call - Plans for sustainability after the project's life. The mission of the Knowledge and skills management Centre is geared towards linking VET with labor market needs, upgrading people's occupational qualifications, reinforcing their employment perspectives and strengthening social cohesion. It will ensure sustainability and replication of project results.

On behalf of the project partner Engineering Institution of Macedonia, you are invited to participate at the 1st Workshop for promotion of activities of Knowledge and skills management Centre dedicated for training providers, in order to promote the concept of LLL and to describe the developed methodology for recognition of prior learning-RPL.

The 1st Workshop for promotion of activities of Knowledge and skills management Centre that will be held on **December 20th, 2019 (Friday), at 11:00 a.m.**, in the Meeting room of the Kettering City food, DOO, Anastas Mitrev 29, 1000 Skopje, Macedonia.

The working language of the Workshop is Macedonian.

Annex: Draft agenda of the 1st Workshop for promotion of activities of Knowledge and skills management Centre

Respectfully,

10. 12. 2019, Skopje

Prof. Hristina Spasevska,

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 785005

President of K&S Centre

Draft agenda

1st Workshop for promotion of activities of Knowledge and skills management Centre -for training providers-

Project: “TowaRd market-based skills for sustAINable Energy Efficient construction“
Grant Agreement No: 785005 — TRAINEE

Date: December 20th 2019 (Friday), 11:00 o'clock
Venue: Meeting room of the Kettering City food, DOO,
Anastas Mitrev 29, Skopje 1000, Macedonia

10:30 – 11:00	Registration
11:00 – 11:30	Foreword by the President of Knowledge and skills management centre, prof. Hristina Spasevska <ul style="list-style-type: none"> • Presentation of the structure, aims and activities of Knowledge and skills management centre
11:30– 12:00	The concept of Life Long Learning-LLL, prof. Lihnida Stojanovska-Georgievska, Secretary general of Knowledge and skills management centre <ul style="list-style-type: none"> • Modules of LLL and its definition according to European training foundation. Identifying all possible pathways for LLL
12:00 - 12:15	Coffee break
12:15 - 13:00	Validation of in-formal learning, prof. Hristina Spasevska <ul style="list-style-type: none"> • Importance and benefits of obtaining qualification based on recognized knowledge and skills
13:00 - 14:00	Lunch
14:00 – 14:45	Model for Recognition of prior learning developed by TRAINEE, prof. Lihnida Stojanovska-Georgievska <ul style="list-style-type: none"> • Concept, phases and methodology used
14:45-16:00	Group working <ul style="list-style-type: none"> • Implementation of the Model for RPL on case studies
